CREATIVE STEPS

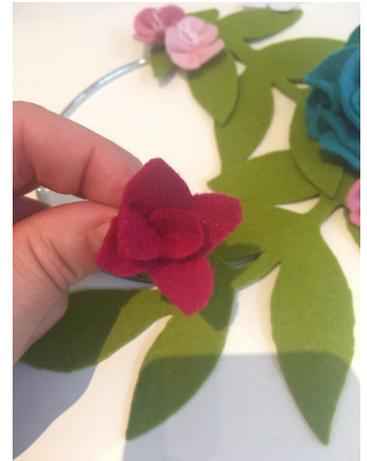

ONLINE CLASS PROGRAMME

NOVEMBER – DECEMBER 2020

Welcome!

We have many different online creative groups running throughout the next few months.

- Our online classes last for 1 hour.
- You will need a device that has internet access to take part in our online groups.
- We use Zoom to run our sessions.
- You can sign up to as many classes as you want. We will let you know if we have a space when you contact us.
- We will provide the materials for the class. You can collect these from Gallery 966 (open for collection every Wednesday, 10:00 - 12:00).

Our contact details are on the back page. Get in touch if you would like more information.

We hope that you find something you are interested in!

**From Amy and Vanessa
at Creative Steps**

How To Sign Up

1. Have a look through this booklet and decide which classes you are interested in.

2. Contact Amy at Creative Steps to sign up:

Email: creativesteps@plantation.org.uk

Phone / Text / WhatsApp : 07525 195239

Office: 0141 387 2596

3. Pick up your class materials from Gallery 966 during our pack collection times: Wednesday 10:00 - 12:00.

4. We will send you the class link by email the day before the session, or use the zoom code on your materials pack.

5. Click on the link at the time of the class. Have fun!

Craft Classes

WOOL WEAVING

Monday: 2nd, 9th & 16th November (3 WEEKS)

11:00 - 12:00

You will be taught how to make your own loom, design your pattern, weaving techniques and how to implement the learning onto a loom.

If you wish, you can also join this class with your own knitting project and join in the chat.

CUTLERY HOLDERS

Monday: 2nd November (1 WEEK)

13:30 - 14:30

This is a no-sew, nice and easy project with a good result. Looking for a simple class, where all you have to do is cut? This is your class! You could of course add some quirky sewing or bling to it. Options will be shown and materials for this will be provided.

ACTIVE ARTS

Tuesday: 3rd, 10th, 17th & 24th November (4 WEEKS)

11:00 - 12:00

In this class you will be encouraged to actively engage with art - this may be through theory and practise. Your collection pack will be full of activities and suggestions based around an individual artist or an art period.

For some classes, we may plan to meet outdoors for a nature based, in person session.

JEWELLED HAIRBAND

Wednesday: 4th November (1 WEEK)

13:30 - 14:30

Design a beautiful bejewelled hairband using beads and bling.

This would make a lovely gift - or why not keep it for yourself and look fabulous for a special occasion!

3D FELTING

Monday: 9th & 16th November (2 WEEKS)

13:30 - 14:30

We are going to create a 3D felted robin. No need to have done any prior felting workshops- this is a new technique. You will leave with a lovely little robin with its own personality. A great gift or companion for in the house.

BLING WALL HANGING

Wednesday: 18th November (1 WEEK)

13:30 - 14:30

In this class you will be shown how to hang the baubles, decorate them and create a wall hanging piece that will look and smell beautiful. Bringing that wintry atmosphere, a sense of huggle, into your home.

BREAD MAKING

Monday 23rd & 30th November (2 WEEKS)

11:00 - 12:00

This is a super simple way to start getting hooked on baking your own bread. You will need a pan + lid as shown on the photo or a baking tin with a lid.

Each week we will look at the different processes of bread making - a new recipe with a slightly more advanced technique.

HAND SEWING WITH MORAG

Friday: 6th November - 11th December (6 WEEKS)

11:00 - 13:00

Work on a selection of fun hand sewing projects with our wonderful sewing tutor Morag. Hand sewing is a relaxing way to spend time and create something new. We will work on a selection of projects, including some lovely winter decorations. All ability levels welcome. Give it a try!

Winter Crafting!

JEWEL SNOWFLAKE STAR

Wednesday: 11th November (1 WEEK)

13:30 - 14:30

Learn how to put together and design a striking jewel snowflake in this class. These can be used to decorate a tree or put up on a wall.

Last year, we decorated our windows with these and they glittered beautifully!

BAUBLE MAKING

Tuesday: 1st December (1 WEEK)

11:00 - 12:00

With different colours of feathers and lots of bling, we will have a bedazzling hour of fun. You will leave with a unique bauble.

A great gift!

TREE WALL HANGING

Wednesday: 2nd December (1 WEEK)

13:30 - 14:30

A blinged up Christmas tree that you can use year after year. With a star at the top and shaped like an actual Christmas tree, you might not even have to have any other decoration this festive period! You will get a good selection of bling and decorations to create your own.

CARD MAKING

Thursday: 3rd & 10th December (2 WEEKS)

11:00 - 12:00

It's that time of year again to start making Christmas cards. A bit of glitter and glam to bring us into the festive spirit. You will be able to make several cards with different cutting techniques. You will need a craft mat (or placemat) and a craft knife for this.

SALT DOUGH DECORATIONS

Monday: 7th December (1 WEEK)

11:00 - 12:00

Create your own salt dough sculpture this week. You will be shown 2 different items to make - which you can choose from or you can create your own sculpture.

You will need an oven for this class.

CANDLE DECORATING

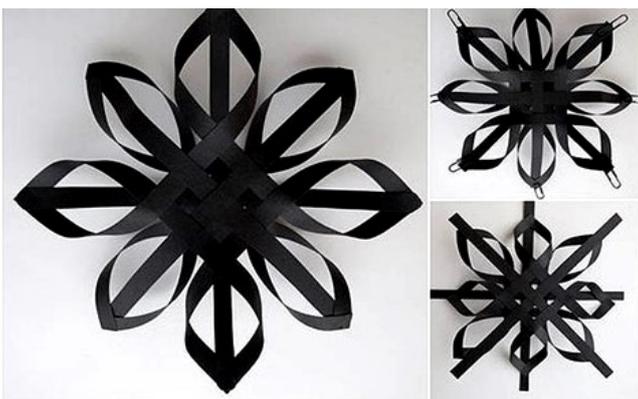

Tuesday: 8th & 15th December (2 WEEKS)

11:00 - 12:00

An easy yet very satisfying class. If you like a step by step class, with a good (smelling) end result - this is for you! You will leave with a beautifully decorated candle. We will make a cinnamon candle in week 1 and a beeswax decorated candle in week 2.

PAPER STAR DECORATION

Monday: 14th December (1 WEEK)

11:00 - 12:00

A slightly complicated yet stunning item to create. For this workshop you will need enough space to lay all your paper out to avoid confusion. You will make a medium sized version, but of course you can make another bigger one in your own time, should you wish this.

WINTER TABLE DECORATION

Thursday: 17th December (1 WEEK)

11:00 - 12:00

Our annual seasonal piece this year is not a wreath but a more versatile piece which you can later amend.

You will have a choice of ornaments and greenery. Bringing joy to the dining table.
